

Wide-span rack

zinc-plated, with steel shelves. Bolted or boltless

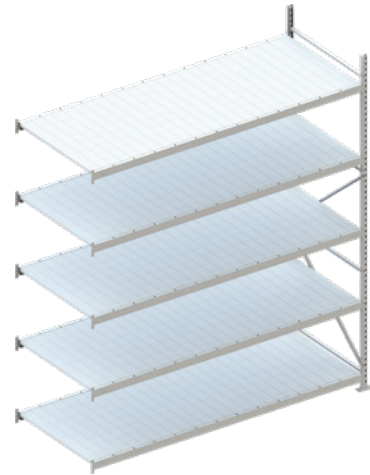

Application:

Wide-span racks offer large storage areas for bulky parts and particularly large and/or heavy items.

META wide-span racks - the boltless **META SPEED RACK** or the bolted **META MINI-RACK** - are ideal for storing bulky goods of light to medium weight in trade, industry and crafts. They can be used across different industries in a variety of ways. Both systems are available with either chipboard shelves or steel shelves.

Execution:

- Add-on rack, for expanding the basic rack
- Storage in a lying or standing position
- Shelves adjustable in 50 mm grids
- Step struts with a 200 mm perforation grid to accommodate separator bars

Art. no.	50165 895
Brand	META
Manufacturer Part Number	2005 1365
Height	3000 mm
Length	2651 mm
Depth	1050 mm
Nominal length	2600 mm
Type of shelving	Add-on shelving
Design	With steel panel
Surface	Zinc plated
ESD-capable	No
Design of the frame	Disassembled
Grid dimension	50 mm
Number of shelves	5 PCS
Load-carrying capacity per shelf	490 kg
Load-carrying capacity per field	2500 kg
Number of frame	1 PCS
Made in	Germany
Gross Weight	233.876 kg
Product Group	508

EAN
