

## Customer Information Notification

CN-202302007I

**Issue date:** 10 Feb 2023

**Effective date:** 11 Feb 2023

Here's your personalized quality information concerning products our customers and partners purchased from Nexperia.

For more details please contact your respective Nexperia CSR/AM.

## Correction of erratum in data sheets PDTA114E\*

### Notification information

This Customer Information Note announces the correction of the data sheets of the products PDTA114ET, PDTA114ET- Q, PDTA114EU, PDTA114EU-Q, PDTA114EM and PDTA114EMB.

The item corrected is the parameter "Input voltage (Vi)". It was so far specified as "positive < 40 V" and "negative < - 10 V" . As the affected types are pnp-transistors, the polarity of both specification values must be reversed.

The adapted data sheets are attached to this notification and can be found on [nexperia.com](http://nexperia.com).

### Why do we issue this notification?

Errata in current data sheets.
