

Engineering Change Notification (ECN)

ECN No.: ECR20230415001

Customer: _____

Date: 2023-10-12

| |
|--|
| Change Items: <input type="checkbox"/> Design <input type="checkbox"/> Process <input type="checkbox"/> Product discontinue <input checked="" type="checkbox"/> Others |
| Subject of Change: Freewheeling diode supplier change |

| | |
|--|--|
| Description of change: Freewheeling diode supplier change | |
| Before change: Diode: origin A P.N: Eg.GD150HHU120C6S | After change: Diode: origin B P.N: Eg.GD150HHU120C6SD |
| Reason of change: 1. The existing diode origin A cannot meet the supply demand, so it is necessary to change the diode to origin B. 2. The new diode is already being used in mass production in other products. | |
| TYPE OF INVOLVED MODULES: HFU/HFF/HHU/HCU/HFQ | |
| Samples lead time | 4÷6 weeks after request date. |
| Start of delivery | After approval + standard lead time. |
| Last order date of unchanged product | |
| Last delivery date of unchanged product | 2023-10-12 |
| Hereby notify the above: <p style="text-align: center;">StarPower Semiconductor Ltd.</p> <p style="text-align: center;">2023-10-12</p> | Respond to this ECN: <p style="text-align: center;">Customer confirmed (Signature or stamp)</p> Date: |
