

HYDRAULIC-SEALING RG 100P G1/4

Accessories

Product characteristics

Hydraulic sealing ring

G 1/4 x 2

Environment

Pressure rating	[bar]	400
-----------------	-------	-----

Ambient temperature	[°C]	-20...80
---------------------	------	----------

Medium temperature	[°C]	-20...80
--------------------	------	----------

Mechanical data

Design	with NBR insert; self-centering
--------	---------------------------------

Housing materials	steel galvanised; NBR
-------------------	-----------------------

Weight	[kg]	0.245
--------	------	-------

Remarks

Pack quantity	[piece]	100
