

14-Dec-2023

PCN #: P-23-025529

Subject : Change packing form

Description of Change : Following part numbers produced in TE Thailand Manufacturing Plant will change the product partition inside the packaging box. There is no change to the connector, outer box, and number of products per box. Reference to P-22-023326 for same parts produced in TE Japan.

Reason : Document clarification. Dear Customer, there is change in the product partition inside the packaging box to optimize the packaging form. An internal release based on our specifications will be executed before any parts will be delivered. If you have any questions, please contact your TE Account Manager.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.

Alert document created by IHS Markit based on content provided by TE Connectivity.
