

Datasheet article 800400

Fuel can PREMIUM (UN), 5 L

blue, UN certification, HDPE, red accessories

- meets the highest safety requirements, robust and insensitive to impact effects
- Extremely low permeation through heavy quality (neutral odour)
- TÜV-tested production and E10 suitable
- with spout integrated in the can body for diesel vehicles with misfuelling inhibitor (art. no. 819100)
- incl. spout and threaded joint and undetachable child safety screw cap, red
- for the labelling (according to GHS regulation and ADR) of canisters filled with fuel, we recommend our hazard identification labels Art.-No. 306100
- no rust particles and lower temperature conductivity compared to metal canisters
- on request: Branding, labelling and individual colours possible
- separate accessories and replacement parts available, e.g. safety filling systems, discharge pipes, hazard identification labels (306100)
- Approval no. UN 3H1/Y/120/./D/BAM 15505-huen

Min. order quantity	12
