

FEATURES

- Precision carbon steel laminated stripping blades
- Compact pistol-grip design for increased control and a smooth stripping action
- Adjustable sliding wire stop to preset exact stripping lengths
- Shielded cutter for safety
- Constructed from high-grade polymers and Carbon Steel for durability and long tool life

RS PRO 197mm Wire Stripper

RS Stock No.: 243-257

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this professional fully automatic self-adjusting wire stripper is for use with round, oval and flat wire and cables. With an adjustable sliding stop to control the length of the insulation stripped, you need only squeeze the handle to remove wire insulation in a quick and smooth motion.
