**Subject:**Notification of Lead Time changes due to Corona Virus impact on tubing products.

**Description of Change:** This is a notification informing TE Connectivity customers that the Lead Times for tubing products are changing due the impact of Covid 19 Virus on Production.

**Reason:** Document clarification. The Trutnov tubing plant remains open and producing as much heat Shrink tubing as it can however due to the closure of borders in the Czech Republic for reasons of Covid 19 virus protection we are not able to staff the factory at the required levels to keep up with required productivity outputs. This reduction has regrettably forced us to increase Lead Times for the tubing products.
