For frequent load changes: the "trailer coupling" for plug-in connectors.

The strain relief can do more than just relieve the strain on conductors:

Simply clip onto the plug and

- bundle conductors
- guide cables
- use as a connection and disconnection aid

No damage to the connecting points, clear, tidy wiring and easy to handle.

User advantages: permanent heavy-duty connections for harsh industrial environments and convenient operation ensure improved system availability.

General ordering data

Type	BLZ 5.00 ZE08 OR BX
Order No.	1652040000
Version	PCB plug-in connector, Accessories, Strain relief, Orange, No. of poles: 8
GTIN (EAN)	4008190401719
Qty.	50 pc(s).
