Sample Availability Date (Changed Part)	May 21, 2021		
Planned Implementation Date	June 30, 2021		
Method of Identifying Change	Date code		

RELEASED

Before Change

Overview

- The purpose of this letter is to change plating chemical from PdNi with gold flash to Gold for Picoflex series terminal because of the Picoflex range transfer to Malaysia due to the Shannon closure and the lack of a localised plating house that can plate PdNi.

After Change

Overview

- Full product testing has been completed and change has no impact on the performance of the product. The PdNi gold flash and gold-plated parts can be mated together without impacting product performance.
- Molex Malaysia Part Number(s) Affected:
 - Please see the part list attached.
- The qualification report is available once requested.
- Drawing will be revised according to this change.

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:509428**" in the e-mail Subject line for faster response.
