Date: 2017-11-24

Author: Nikolaj Ponomarjov

Title: M12 Slim Design shielding element improvement - External

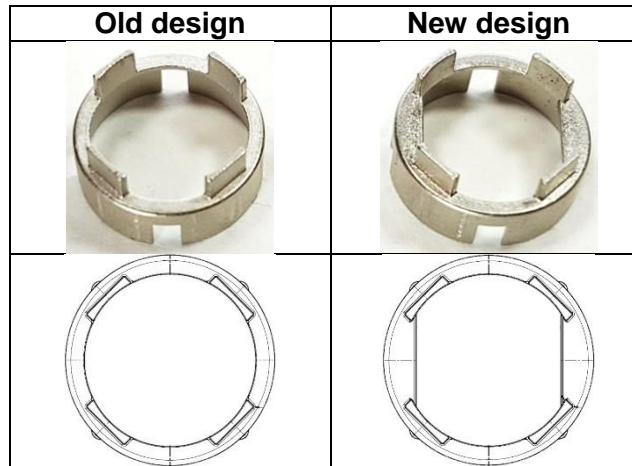

Details of Product Changes

1. Concerned part number (see also attachment):

21038211505, 21038211506, 21038211530, 21038211805, 21038211830, 21038212505, 21038212506, 21038212525, 21038212530, 21038212805, 21038212825, 21038212830, 21038811405, 21038811406, 21038811415, 21038811430, 21038811805, 21038811830, 21038812405, 21038812406, 21038812425, 21038812430, 21038812805, 21038812825, 21038812830, 21038812835

2. Description of changes / news:

The inner contour of the shielding element of M12 Slim Design straight connectors has been changed from round shape to double D shape. This improvement secures the proper assembly and avoids the displacement of the contact carrier in assembled condition.

3. Impact on product specification:

No impact on product specification or application

4. Scheduled date of implementation:

With immediate effect

5. Identification of change:

- No new part number for the final part
- New revision level for the final part

6. Data sheet (optional):

-
