

Prismatic inserts

For centre point heights 50 + 75 mm

Application:

For use in HP small concentricity testing devices. The points replace standard tailstocks for testing non-centred and long components.

Art. no.	35482 032
Brand	HELIOS-PREISSER
Manufacturer Part Number	6060780021
Max. diameter	15 mm
Gross Weight	0.338 kg
Product Group	308
