

**JBC P4010****Protector 60 (17 x 17 mm)****JBC**

Reference desk 60

Protectors are the perfect accessory to ensure the best result in any desoldering job.

They concentrate the heat in the desired area and protect adjacent components.

The protector must fit the size of the component to be desoldered and works perfectly with a tripod.

The JBC range features different shapes and sizes.
