

QUADRO Plus

The QUADRO Plus with 3 magazines and end sleeves strips
0,5/0,75/1,0/1,5 und 2,5 mm² (AWG 20-14) in Sortimo-Box.

Part No. 62000

mm ²	0,5		0,75		1		1,5		2,5
AWG	20		18		16		14		

Ergonomic insulation stripping- and crimping plier for stranded wires from 0,5 to 2,5 mm² (AWG 20-14) with 4 integrated functions (cutting - insulation stripping - twisting - crimping).

NEW The integrated locking mechanism ensures an even, high-quality pressing through monitoring the final position of the crimping punch.

The quick reloading connector sleeves by switching magazines enables fast and efficient work.

Additional information about end sleeves strips magazines on p. 38
