

HP Wireless Mouse 220

An ambidextrous travel-sized wireless mouse with long battery life

Improve the way you connect and communicate, work and play. Built with strict HP standards and guidelines, this world-class HP Wireless Mouse effortlessly blends sleek, modern design with life-enhancing, advanced features.

Wireless convenience

No more wires with the reliable 2.4GHz wireless connection.¹

Smooth control

Blue LED technology and a powerful 1300 DPI optical sensor give you precise movement on most surfaces.

Contoured comfort

A contoured shape designed for all-day comfort in either hand.

Dependable power

Efficient battery life delivers up to 15 months of everyday use.³

¹ Wireless connectivity up to 10m (30 ft).

² Windows® is either registered trademark or trademark of Microsoft Corporation in the United States and/or other countries. All other trademarks are the property of their respective owners. Actual product may vary from image shown.

³ Actual battery life will vary with use and environmental conditions. The maximum capacity of the battery will naturally decrease with time and usage. Actual product may vary from image shown

HP Wireless Mouse 220
