

Plug-in rack with easy-view storage bins

Add-on bay, easy-view storage bins made of polyethylene

RasterPlan

Application:

For the orderly storage of small parts in easy-view storage bins; shelving systems can be installed and removed thanks to basic and add-on bays.

Execution:

- Stable, with high carrying capacity per shelf
- Shelves galvanised, height-adjustable in increments of 25 mm

Delivery:

Flat packed delivery, simple assembly of shelves thanks to plug-in system
