

Part Number: ND-63014

Description: 1/4" Hollow Nut Driver, 3" Shaft

Jonard's Nut Drivers have a full length hollow shaft, making them a great tool to use on stacked circuit boards and long bolts/studs. Our Nut Drivers feature the following:

- Internal shaft flanges to prevent the handle from slipping
- Ergonomically designed handle with thermoplastic rubberized grip for greater comfort and torque
- End of the handle is marked to be easily identifiable while stored
- This product complies with ASME B107.110 and ANSI standards

Specifications:
