

Weller®

WLSK8023G-80W soldering iron, LED Halo Ring™, UK

Weller 80W Soldering Iron, LED Halo Ring™, UK

Features

- Optimal precision and control
- Quick Tip Change
- Versatile
- High Visibility LED Halo Ring

Technical data

Power cable-UK

Recommended for the following applications-JOINING WIRES

EAN-4003019445011

Recommended for the following applications-STAINED GLASS

Tip shape-Chisel shape

Recommended for the following applications-HOBBY

Tip size-10.0mm

Minimum order quantity-10

Power-80 W

Temperature range ° C-427

Cord Length-1.50

Temperature range ° F-800

Recommended for the following applications-HOME REPAIR

Voltage-230 V

Weight in g-345

Weight in lb-0.761

CE-on
