

Product Datasheet

Product code: 3C.NC.0

Product type: High precision tweezers

Made in: Switzerland

Description: Type 3C high precision tweezers are suitable to delicate applications which require holding a

small component firmly while granting good visibility. The short body allows a firmer grip combined with greater practicality. The Superalloy material provides improved performance in

more severe environments.

Tip description: straight, fine, pointed, superior finish

Coating/finishing: Sandblasted

Body material: Ni-Cr-Mo Superalloy (NC)
