European Region

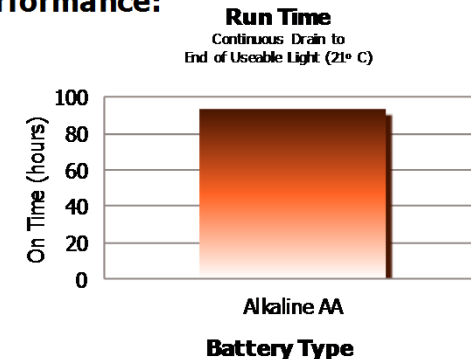

Compact and lightweight, the Energizer® X-Focus has many features usually seen in larger torches but fits easily in pocket or handbag. The bright white LED provides 9 lumens of light and it can illuminate objects up to 45 metres away. In addition, the light can be easily focused from a tight spot to a flood beam. This torch is an economical lighting solution as well. It provides useable light for 93 hours between battery changes using Energizer® MAX® batteries.
