

Pneumatic screw-on sleeve K-GT A

Compatible with BILZ HERMETIKUS compressed air system

Application:

For screwing onto couplings – as an intermediate coupling for double-sided hose connection.

Execution:

- Suitable for BILZ HERMETIKUS safety couplings HSK with no. 75 105

Art. no.	75121 210
Brand	BILZ
Manufacturer Part Number	6706992
Model	K-AT 2
Material	Steel
Suitable for hose internal diameter	13 mm
Connection thread	G 1/2 inch
Clearance hole	10 mm
Width across flats	24 mm
Length	52 mm
Thread length	11 mm
Suitable for coupling	HSK 1, HSK 2
Gross Weight	0.036 kg
Product Group	754
