Product Change Notice

Sub: Marking/Stamping Changes

Part series: All WHA/B/C, WNA/B/C, and WLA/B/C Series

Effective Date: Immediately

Ohmite has changed the marking used on the WH, WN, and WL series line of wirewound axial resistors. This includes the WHA, WNA, WLA, WHB, WNB, WLB, WHC, WNC, and WLC series parts. The below example shows the old and new marking. All new parts will be produced with the part number laser stamped instead of color banding. Ohmite will ship the older version (color banded) until current inventory is exhausted.

OLD

NEW

Best Regards,

Brandon Metzger
Product Manager

CC: Kirk Schwiebert
Director of New Product Development
