Bourns Adjusts Minimum Order Quantity (MOQ) and Multiple Order Quantity (MULT) for Select MOV Devices

Riverside, California – July 12, 2022 – During the 2022 annual price book update, the Minimum Order Quantity (MOQ) and Multiple Order Quantity (MULT) for select MOV devices were incorrectly changed. Effective immediately for new orders, we are reestablishing the MOQ and MULT for select Bourns® MOV products to the value prior to the annual price book update. A full list of MOQ and MULT changes for the affected part numbers is included in the table below.

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
