

## Trolley with easy-view storage bins made of polyethylene

® RasterPlan

### Application:

For transporting and providing spare and small parts on the work floor and in the warehouse.

### Execution:

- Robust sheet steel trolley
- Double-sided use, ergonomic handles, easy to move with 2 fixed castors and 2 steering rollers with locking device
- With slotted plates, fitted on both sides with RASTERPLAN easy-view storage bins made of impact proof and shock-proof polyethylene, colour coded
- For accessories such as labels, lids see from no. 50638 850-876 in the Workstation chapter.
- Modular structure in 3 different heights

### Advantage:

- Absolutely horizontal suspending and removing of the filled easy-view storage bin on the slotted plate, no spilling of the stored product!

### Delivery:

Without labels
