

Universal magnetic vice jaws 100, 120, 125, 140 and 150 mm

Aluminium body with fibre clamping insert

Application:

For simple and quick attachment to all vices.

Execution:

- With integrated permanent magnet
- Aluminium body with clamping surfaces consisting of fibre with a special layered structure
- The fibreglass coating does not deform even when clamping heated workpieces

Advantage:

- Precise and gentle clamping

Delivery:

In pairs

Art. no.	51068 400
Brand	HEUER
Manufacturer Part Number	111100
Jaws width	100 mm
Jaw design	With fibre inlay
Material	Aluminium
Gross Weight	0.171 kg
Product Group	513

EAN

4010898711007
