### Data Sheet Change:

- Yes  No

### Attachment:

- Yes  No

### DESCRIPTION AND PURPOSE OF CHANGE:

With the aim of an extended product applicability and to better fit the evolving standards, Würth Elektronik is changing the design of its USB-C cable range plug and overmolding.

All products with date code 2022-01-01 or later, will be affected by this change.

There will be no change in function, quality or reliability of the product.

**DETAIL OF CHANGE:**

The USB-C plug has been replaced by a design without dovetail shielding, with added mechanical retention to the internal PCB. To meet current customer demands, the overmolding has been straightened.

**RELIABILITY / QUALIFICATION SUMMARY:**

Product approval is according to the specification and is internally released by the Product Management Department.
