**PRODUCT DATA SHEET**

<b>Product</b>	<b>UPVC Cleaner</b>
<b>Type</b>	A aqueous mixture of ingredients including fine abrasives dispersed in special water based lubricating medium to clean and restore all types of white UPVC.
<b>Intended Use</b>	Cleaning of all types of white UPVC that has become weather stained, dirty and dull.
<b>Special Features</b>	Ingrained dirt is quickly removed and if the surface has lost its shine, the cleaner will restore the gloss.
<b>Preparation</b>	<b>SHAKE WELL BEFORE USE.</b>
<b>Application</b>	Pour a sufficient amount of the UPVC cleaner onto a damp cloth. Apply to one section of the UPVC at a time. Rub and apply pressure to remove any stubborn stains. Allow to dry partially for a few minutes and then buff off using a dry cloth. It is best to work on individual sections at a time until the job is complete. Repeat the application if necessary. <b>Important:</b> For best results do not work in direct sunlight or hot surfaces as it will cause the product to dry quickly and prevent effective cleaning and buffing. For spillages on concrete or brick work remove with a stiff brushes and warm soapy water.
<b>Coats</b>	If very dirty or if the dirt is particularly ingrained more one than one application will be necessary.
<b>Drying Time</b>	N/A
<b>Re-coating Time</b>	N/A
<b>Application Temp.</b>	Ideally 10-25°C.
<b>Coverage</b>	N/A
<b>Maintenance</b>	Re-apply as required.
<b>Compatibility</b>	All types of white UPVC.
<b>Settlement</b>	<b>SHAKE WELL BEFORE USE.</b>
<b>Shelf-life/Storage</b>	Many years if stored in original sealed container in a cool dry place.
<b>Hazards</b>	Keep out of reach of children. In case of contact with eyes rinse immediately with plenty of water and seek medical advice. A full Safety Data Sheet is available upon request or on <a href="http://www.rustins.co.uk">www.rustins.co.uk</a>
<b>Clean-Up</b>	Warm soapy water.
<b>Sizes</b>	500 ml
