

Fall arrester

Execution:

- Optimum safety due to autonomous retraction of the steel rope
- In the event of a fall, the device locks from a falling speed of 1 m/s
- In plastic housing with swivel snap hook suspension and wire rope
- Suitable for use in vertical and horizontal applications with material stress on edges with a radius $r=0.5$ mm

Art. no.	55600 060
Brand	MAS
Manufacturer Part Number	51506
Category	III
EN standard	360
Wire cable length	6 m
Gross Weight	2.800 kg
Product Group	567

EAN

4260015710936
