TE Connectivity

Product Change Notification: P-17-014050

PCN Date: 11-JAN-17

Customer: Newark Electronics (1327156)

Location: Gaffney

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Change manufacturing location of Multigig Daughter Card connector such as: Tier 1, Tier 2, RT2 and RT2-R

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from outside supplier to TE Connectivity manufacturing location in Mt.Joy, Pennsylvania

Reason for Changes:

The TE Connectivity MultiGig product family offers several product offerings to support various products to support high speed signals in the VPX embedded computing architecture segment. The product offering has been widely adopted into the Military/Aerospace market place. The growth of the product offering as well as the anticipated forecasted growth in the market place require TE to migrate the manufacturing of the product offering into an internal TE manufacturing facility to better support our customer base. The manufacturing of the MultiGig product daughter card product offering will be relocated to our TE Connectivity manufacturing location in Mt.Joy,PA. This transition will occur on/or about March 31th,2017. The new manufacturing location is under a certified quality management system.The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, performance, ability to supply and form-fit-function of the concerned products.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	17-APR-2017
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
