

14 October 2022

Product Change Notice

Type of Change: End of Life Material Change
 Facility Change or Addition Process Change
 Design Change Other- Packaging

Part Series Affected: AP Series Cosmetic Change

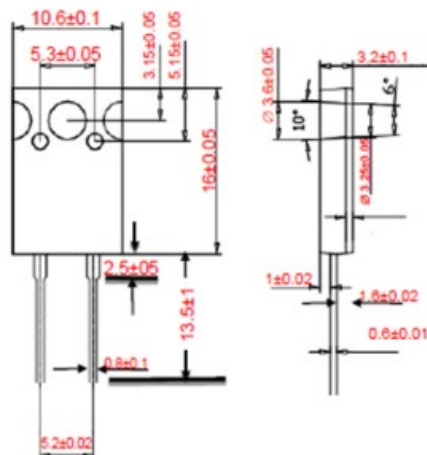

Effective Date: October 17, 2022

Date Last Time Buy: N/A

Date of Last Time Shipment: N/A

In response to the need for production expansion for select AP series resistors additional molding equipment is now in production. Parts made in the new equipment will have 2 small holes, 5.3mm apart, located below and to the left and right of the central mounting hole. The presence of these 2 small holes has no impact on form, fit, or functionality of the products. Both versions (with and without holes) will be used to fulfill orders.

Example of AP830 and AP851:

Add 2 small round holes above**AP830 AP851**
