

Blind rivet nut hand tool

FireFly model

Version:

- With M5 threaded mandrel and nosepiece

Advantage:

- Simple to adjust the stroke using the knurled nut with stroke scale for secure and complete placement of the blind rivet nut
- Minimum manual force required thanks to special lever arm arrangement and ratchet mechanism
- Rapid replacement of threaded mandrels without the need for tools

Delivery:

replacement thread mandrels and nozzles available deliverable from stock - please request
