

Die-sinking cutter with thread

For indexable milling inserts: WPR..., WPV..., WPB...

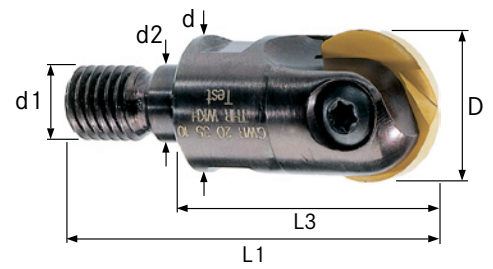

KIENINGER

Application:

The large Kieninger range of die and mould making products is tailored to meet the requirements of users in the high-performance sector and ensures high process stability and profitability.

Execution:

- With screw-in thread
- For round indexable milling inserts

Art. no.	16120 084
Brand	KIENINGER
Manufacturer Part Number	6131455
Cutting edge diameter	8 mm
Clearance length	30 mm
Length	44.5 mm
Thread dimension	M6
Suitable indexable insert no.	7
Gross Weight	0.015 kg
Product Group	1K2
