

Universal magnetic vice jaws 100, 120 and 140 mm

Made from polyurethane

Application:

For simple and quick attachment to all vices.

Execution:

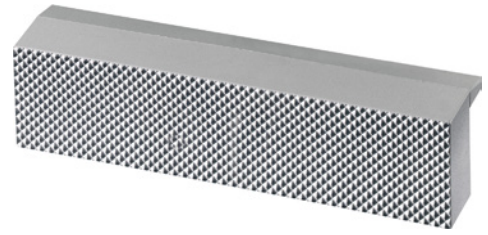

- With integrated permanent magnet
- Made from elastic, durable, age-resistant polyurethane
- Restores the original shape after deformation by pressure
- The ribbing grips the clamped parts without damaging them

Advantage:

- Precise and gentle clamping

Delivery:

In pairs

Art. no.	51068 100
Brand	HEUER
Manufacturer Part Number	107100
Jaws width	100 mm
Jaw design	With fluting
Material	Polyurethane
Gross Weight	0.113 kg
Product Group	513

EAN

4010898707000
