

Bluetooth® Speaker | 15 W | True Wireless Stereo (TWS) | Black / Black

General information

Enjoy the rich sound of True Wireless Stereo (TWS) when you pair this Wireless Bluetooth® Speaker with another or enjoy its deep tones when you use it on its own.

The small speaker with a big sound

The compact, stylish design of this speaker includes a carry handle for maximum portability.

Don't be fooled by its light weight, however, as this small speaker delivers a big, heavyweight sound. A 15 W peak power output and Bass Boost function ensures it hits all the right notes.

Take it with you everywhere

Its integrated 800 mAh battery allows you five hours of playback on a single charge - and you can continue to use it as it recharges.

Pair it up for double the pleasure

It's simple to pair with a second Bluetooth® speaker using the latest True Wireless Stereo (TWS) technology to double your audio experience and deliver a rich, clear and deep sound.

Features

- Stream music from your mobile device to this Bluetooth® speaker - and enjoy listening to your favourite tracks in True Wireless Stereo (TWS)
- Compact but powerful - with a 15 W peak power output and Bass Boost functionality
- Built-in 800 mAh battery - offering five hours playback
- Can be paired with a second Bluetooth® speaker - for double the listening pleasure

Specifications

RMS:	5 W
