

Workplace mat made of natural rubber – middle and end pieces

Textured structure, height 14 mm

Application:

For dry areas of application and normal use such as on workbenches, assembly laboratory areas, packing tables, inspection stands.

Version:

- Black, closed mat with textured surface
- Central piece can be combined lengthwise with end piece
- Dovetail connections mean that any length can be achieved (width of 600 mm)
- With bevelled edges on 3 sides

Advantage:

- Textured surface continuously stimulates the circulation in order to reduce symptoms of fatigue when standing for extended periods
- Effortless design of production lines thanks to dovetail connection
