DESCRIPTION AND PURPOSE OF CHANGE:

1. Purpose of change :
Product improvement. Injection mold upgrade from 2D(directions) to 3D(3 directions). The upgrade of the injection mold improves the internal polymer flow/merge.
2. Actions :
This does not influence Fit, Form and Function. The only small change is visual on the base, but it does not impact the total dimension.
3. Revise Specification
There is no specification change on the drawing or even on the electrical data's. From Visual, it's a minimum change.(See below pictures)
4. Cause this is a continuously improvement, therefore, we will not clean up our warehouse. Both versions can be send out to customer until the old version is complete sold out. New product is available after label date code :
01.July.2013
