

Partition panel

Execution:

- Partition panels: For subsequent mounting in the pillar frames. Specifically designed to protect against theft behind sliding doors, hinged doors and roller shutters. Can be used on the left and right. Design: Sheet steel. Caution: Order nut holder for shelf mounting separately.
- Partition panels with 4-edge holes, 10 × 10 mm and 38 mm division, available on request for mounting of perforated plate hooks.

Art. no.	50303 777
