

Serving and picking trolleys

With straight shelves

RasterPlan

Application:

Serving and picking trolleys are indispensable wherever parts, e.g. work equipment or goods to be picked, have to be gathered frequently from different places.

Execution:

- Sturdy steel structure, impact and scratch resistant plastic coating
- With straight shelves
- Runs on easy-running rollers – 2 fixed castors and 2 steering rollers with locking device

Delivery:

Tips for ordering: Please specify your choice of colour on your order; otherwise, it will be chosen at random.

Art. no.	50640 017
Brand	RASTERPLAN
Manufacturer Part Number	7707.01.0121
Model	17
Height	1315 mm
Width	1015 mm
