

Grippy® safety floor mats for promoting hygiene

These adhesive-backed mats provide a secure, non-slip surface for walking and standing that conveys social distancing and hygiene messages without damaging your floors

Application:

Ideal for conveying important (COVID-19) hygiene information to employees and visitors at your facility.

Version:

- Highly visible—high-contrast printing helps to communicate important safety information.
- Absorbent layer takes up liquids and draws them away from the centre of the mat
- Interwoven fibres catch dirt and fine particles, preventing their spread
- Tested and certified (by NFSI)
- classified as slip-resistant R13 as per DIN51130 – suitable for use in work rooms and work areas with an increased risk of slipping due to grease, oil, food, debris, dust, flour, paint residues etc
- tested in accordance with BS 7976-2:2002+A1:2013, with proven low slip potential, both in wet and dry conditions
- complies with fire protection class Bfl-s1 in accordance with the requirements of BS EN 13501-1
- Adheres to the most common commercial floor surfaces, including: Concrete, vinyl and ceramic tiles, natural stone slabs and linoleum
- Easy cleaning: Simply sweep, wipe, vacuum or clean with wet vacuum cleaner or floor cleaner – the mat will not slide

Advantage:

- Absorbs moisture, catches dirt and prevents slips, trips and falls
- No need to remove when disinfecting floors—the mat and markings can withstand regular cleaning
- The adhesive developed by New PIG keeps the mat fully fixed to the floor but enables it to be removed easily—no floor cleaning required

Art. no.	69746 316
Type description	Please wash your hands
Length x width	89 x 61 cm
Colour	Black
Number of pieces per packet	4 PCS
Product Group	Prod. Gr. 6PA

EAN-Code

36226047093
