

## Suspended cabinet

Inner side with perforated panel on the rear wall and slotted panel on the doors

<sup>®</sup>RasterPlan

### Application:

For stowing away smaller tool sets in a clearly-arranged and space-saving manner, optionally in combination with the spare part range, directly on or above workstations.

### Version:

- Stable steel sheet structure
- Impact- and scratch-resistant plastic coating
- Rear wall with RASTERPLAN 10 x 10 mm square perforated grid, distance between hole centres 38 mm vertically and horizontally
- Spacer for secure wall mounting
- Opening angle of doors over 180°, safety cylinder lock incl. 2 keys
- Bracket for easy wall mounting

### Delivery:

Other colours and additional group or master keys deliverable upon request.
