

Battery Connection Information

The battery **MUST** be connected with the correct orientation, as shown.

NOTE: The Guide Bar along the length of the battery connector aligns with the Slot in the drone/charger connector for correct connection (see the Ticked Image below left).

WARNING:

ENSURE THAT THE BATTERY IS CONNECTED CORRECTLY WITH THE ORIENTATION AS SHOWN (BELOW LEFT). FORCING THE CONNECTORS TOGETHER THE WRONG WAY ROUND CAN DAMAGE THE BATTERY AND MAY BE DANGEROUS.

ADULT SUPERVISION WHILE CONNECTING THE BATTERY IS RECOMMENDED.
