PCN - Product Change Notification n°: 126222
(n° de l'avis d'évolution / change notification n°)

Date : 06/12/2019

Madame, Monsieur,

Nous vous faisons parvenir cette PCN – **Product Change Notification** pour vous détailler les modifications effectuées sur les familles de produits et les désignations vous impactant.

Vous êtes potentiellement concernés au vue de l'historique de nos ventes sur 5 ans.

Vous trouverez en pièce jointe la liste des produits impactés par cette PCN.
Par souci de confidentialité, nous communiquons seulement les désignations commerciales Amphenol Socapex. Nous vous laissons le soin de vérifier la correspondance de ces désignations avec vos références internes.

Les PCN sur produits standards sont disponibles sur notre site internet dans la rubrique « Support & Services – Product Change Notification » : <http://www.amphenol-socapex.com/>.

Pour tous distributeurs concernés, merci de transmettre la PCN à vos propres clients.

Pour toutes questions techniques, contacter notre support technique via l'email : technicalsupport@amphenol-socapex.fr.

Pour toutes autres questions, vous pouvez contacter votre interlocuteur commercial habituel.

Nom de l'auteur de la PCN : Marine MANSORD

Visa de l'auteur de la PCN :

PCN - Product Change Notification n°: 126222
(n° de l'avis d'évolution / change notification n°)

Date : 06/12/2019

Mrs, Sir,

We are sending you this PCN - Product Change Notification to provide you with details of the changes made to the product families and designations impacting you.

You are potentially affected by our 5-year sales history.

Please find attached the list of products impacted by this PCN.
For confidentiality, we only communicate Amphenol commercial designations. Thank you in advance to check yourself the correspondence of these designations with your internal references.

The PCN on standard products are available on our website in the folder
« Support & Services – Product Change Notification » : <http://www.amphenol-socapex.com/>

For all distributors, thank you to forward this PCN to your own customers.

For all technical questions, please to contact our technical support by email :
technicalsupport@amphenol-socapex.fr.

For all others questions, you can contact you usual commercial contact.

Détails des modifications / Modifications details

Sujet / Subject :

Modification de la couleur des attaches (rivets, eyelets, anneaux, chainettes métalliques) et des cordelettes nylon des bouchons cadmiés, black zinc nickel, zinc cobalt vert et noirs anodisés.

Color modification of attachments (rivets, eyelets, end links, solid rings), metal chain and nylon cord on cadmium, black zinc nickel, green zinc cobalt and black anodized caps.

Nature des modifications / Nature of modifications :

Changement :

Afin de rationaliser nos gammes de bouchons, nous uniformisons la couleur des attaches, chainettes métalliques et cordelettes nylon.

Jusqu'à écoulement de nos stocks actuels, veuillez noter que vous pourrez recevoir des bouchons correspondant aussi bien à l'ancien qu'au nouveau design.

Cette modification est applicable immédiatement.

Change :

In order to rationalize our range of caps, we are standardizing the color of attachments (rivets, eyelets, end links, solid rings), metal chain and nylon cords.

Until current stock is used up, please note that you may receive both designs.

This modification is applicable immediately.
