

**RoHS  
Compliant**

Reversible - Grey on one side and Black on the other

## Description

This PVC button wrap can tidy up and beautify wiring fast and easily. It is reusable, has excellent insulation and abrasion resistance and is easy to dismantle. Its reversible design allows choice of Grey or Black side to fit installation needs. Great for harness work and allows breakouts of single or multiple wires for re-routing or replacement.

## Applications

Widely used to protect wires of high and low voltage power converters and all kinds of mechanical equipment. Also used to protect automated devices

## Technical Data

Wrap Material	: PVC
Button Material	: POM
Operating Temperature	: -15°C to +85°C
Flammability	: UL 94V-0
Material Thickness	: 0.35mm ±0.03mm
External diameter of the face button and the bottom button	: 10mm ±0.2mm
External diameter of male button and the female button	: 9.5mm ±0.2mm
Colours	: Grey on one side, Black on the other
Cutting tool	: Scissors

## Part Number Table

Description	Max. Install I.D. (mm)	Width (mm)	Spool Length	Part Number
