# Emergency Stop Switch
**Actuator**

## SEAN01

Part Number

**Technical Data**

| Electrical Data | |
|---|---|
| Temperature Range | -30...70 °C |
| Storage temperature | -50...85 °C |
| **Mechanical Data** | |
| Housing Material | Plastic |
| Service Life | 50000 Activations |
| Degree of Protection | IP65/IP69K |
| Installation Type | Mounting |
| Installation opening | 22,3 mm |
| Unlocking | turning |
| **Function** | |
| Switching position indicator | yes |
| Applicable contact block | SC20I01S |
| | SC21I01S |

Contact block must be ordered separately (not included in delivery)

- **360° visible switch position indicator**
- **Unlocking by turning left or right**
