

Model Number

ML29 Front Plate

Front plate for thru-beam sensors in series ML29

Dimensions

Technical data

Ambient conditions

Ambient temperature -20 ... 85 °C (-4 ... 185 °F)

Mechanical specifications

Material Makrolon (IR permeable)
 Mass approx. 11 g

Suitable series

Series ML29

Release date: 2013-09-24 09:50 Date of issue: 2013-09-24 198202_eng.xml
