PRODUCT DATA SHEET

Product	Sugar Soap
Type	Phosphate cleaner
Intended Use	For cleaning the surface prior repainting. Cuts through grease and dirt leaving the surface clean so the applied coat of paint adheres
Special Features	Excellent for general household cleaning. It is suitable for use on paintwork, Vinyl wall covering and enamel surfaces.
Preparation	Shake bottle well before use. Wear rubber gloves and eye protection. Protect floor coverings and fabrics from spillage
Application	Dilute the contents of the bottle in the ratio of 500 ml Sugar Soap to 13 Litres clean water. Soak a sponge or cloth in the solution and clean surface well. Sand down any uneven spots. Rinse with clean water and allow to dry thoroughly. Mop up any spillages immediately with a cloth.
Coats	Repeat until surface is clean.
Drying Time	N/A
Re-coating Time	Once the water has evaporated the surface will be ready for painting.
Application Temp.	Ideally 15-20 C.
Coverage	500 ml of the concentrate will provide 13 Litres of solution suitable for cleaning surfaces.
Maintenance	Repeat as necessary
Compatibility	Suitable on most surfaces to be cleaned.
Settlement	Shake well before use.
Shelf-life/Storage	A very long time if stored in a cool dry place with the lid firmly secured.
Hazards	Non-flammable. May be harmful if swallowed. Avoid contact with eyes and skin. Splashes to eyes and skin should be rinsed with plenty of clean water. Keep out of reach of children. A full Safety Data Sheet is available upon request or on www.rustins.co.uk
Clean-Up	Warm water
Sizes	500 ml
