

Cabinet housing system 800 S, height 1036 mm

Depth 800 mm, width 722 mm

Application:

For individual configuration, can be fitted with drawers and shelves.

Execution:

- Robustly welded sheet steel construction
- With plastic-coated cover panel 8 mm
- Tilt-proof due to built-in single drawer extension locking
- Central locking with central combination safely lock, optional installation of electronic combination lock, see no. 50392 010

Advantage:

- The plug-in system means that the cylinder lock can easily be replaced without removing the drawer
- The empty cabinet housing can be individually fitted with drawers in accordance with tool and part storage requirements

Art. no.	50310 200
