## RS PRO LED Head Torch - Rechargeable 450 Im

RS Stock No.: 186-4622

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Introducing the rechargeable LED head torch from RS PRO. At 450 lumens, it has a bright enough beam for most applications. The head torch has both a flood and focus beam, changing the beam pattern. It can operate at multiple dim settings and also features an SOS mode for emergencies. Powered by a rechargeable and removable lithium-ion 2000mAh Li-ion battery, housed in a rear battery pack.
