

Assortment box with removable compartment inserts

Made from polypropylene and polycarbonate

Application:

For orderly storage of small parts.

Execution:

- With double-walled polypropylene case base and extremely robust polycarbonate lid
- Removable polypropylene inserts allow partitions to be placed as required
- Carry handle with latching mechanism for one-handed operation and safety locking
- Exchangeable identification label (3 colours included)
- 2 built-in fixed partitions
- Resistant to most solvents and oils

Advantage:

- Profile grid in lid prevents contents becoming mixed up, even with heavy contents
- Support feet in rear wall for stability even when in an upright position
