TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

PE relay series

Description of Changes

Manufacturing location change. Following Parts Numbers will be transferred from Waidhofen, Austria to Trutnov, Czech Republic.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of production. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according to standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the unchanged product performance.
